

VH63

PRODUCT DESCRIPTION

VH63 Pneumatic Spray Glue Gun is a totally self-contained glue gun with no expensive bulk tanks or fragile heated hoses. Air assistance gives effortless glue delivery. Fast and safe to reload. Cover areas up to one metre square at a time. Can be used on heat-sensitive substrates, such as expanded polystyrene and other plastic foams. Optional carry case available.

APPLICATION INFORMATION

- Used in carpet laying, mattress making and multiple industrial applications.
- Warm up time: 10 minutes.
- Works best with Venus 43mm glue slugs.
