

VH800

PRODUCT DESCRIPTION

The VH800 is a battery powered glue gun, ideal for outdoor jobs where mains power is not readily available. Available as glue gun only, glue gun with battery and charger, or glue gun with battery, charger and carry case.

APPLICATION INFORMATION

- Often used for window dressing, exhibition displays, car body repairs, and attaching carpet grippers to floors.
- Warm up time: 3 minutes.
- When fully charged, it operates for approx 30-35 minutes before recharging is required.
- Powered by a Ryobi 18V 1.5Ah lithium + battery and charger.
- Works best with Venus 12mm glue sticks.
